Agenda Item for Board Meeting of June 17, 2019

Agenda Category: Review and Action

Agenda Item Title: 2017-2020 Local Control Accountability Plans (LCAP) for Bellevue Union School District

Prepared By: David Alexander, Ed.D., Superintendent

Background:

The Local Control Accountability Plan (LCAP) is a three-year plan that describes the goals, actions, services and expenditures to support positive student outcomes that address state and local priorities. The LCAP provides an opportunity for local educational agencies (LEAs) to share their stories of how, what and why programs and services are selected to meet their local needs. This is the fifth year under the new state funding model and accountability plan for student learning.

This plan, the Local Control Accountability Plan (LCAP) was originally written to address needs identified by district data and stakeholder input. The LCAP must address the eight state priorities in the following three categories: A. Conditions of Learning, B. Pupil Outcomes, and C. Engagement. Each LCAP is written for three years. Based on the successful outcomes of the first three years of implementation, the 2017-20 LCAP for the Bellevue Union School District was continued with the 10 goals from the original LCAP: 1. Improve Readiness 2. Decrease the rates of absence and truancy 3. Improve 3rd grade literacy 4. Improve consistency of high quality instruction in all classrooms 5. Improve 21st century teaching and learning 6. Ensure all students have opportunities and support to reach their potential 7. Maintain and improve facilities 8. Improve school-home communication 9. Improve climate to support learning 10. Develop citizenship and democratic values. For each goal, actions and services are identified to achieve expected annual measurable outcomes.

As required by the Education Code, BUSD's LCAP was made available for public review on June 10, 2019.

Recommended Action: No Action at this time.
