School Accountability Report Card

Reported Using Data from the 2018-19 School Year

Published During 2019-20

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

School Description and Mission Statement (School Year 2019-20)

Meadow View Elementary is a school with a vision that states in partnership with our families and communities we will develop innovative and productive leaders tomorrow through a safe school environment supported by our school's safety plan. There is a firm belief that all students can learn and once individual strengths are identified, we are responsible for providing opportunities for our students to be successful and thus gain in confidence and self-esteem. This year we are focusing on innovative Early Literacy and technology programs. We are also participating in the development of area wide content and performance standards in Language Arts and Mathematics.

Meadow View's mission is to provide a positive academic learning environment where all students will be empowered to think creatively and critically.

All classroom teachers are fully credentialed. All staff members are dedicated to nurturing the whole child through a high quality core curriculum. Students with special needs have full access to the core curriculum. This curriculum aligns with the California Common Core Standards.

Meadow View is a K-6 elementary school, located in the rural southwest of Santa Rosa. We have approximately 402 students. We have 15 general education teachers, 1 RSP teacher, 2 intern SDC teachers, 3 literacy paraprofessional and 7 student supervisors. Many of our students live one or more miles away, and are transported to and from school by bus. Spanish is the primary language of most of our students. Meadow View has a huge extended family, and the campus is host to many programs and classrooms that serve our students and their families, including AmeriCorp/CalSERVES volunteers serving as tutors and after-school teachers.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Teacher Credentials

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

CAASPP Test Results in ELA and Mathematics for All Students

Grades Three through Eight and Grade Eleven

Percentage of Students Meeting or Exceeding the State Standard

Subject	School 2017-18	School 2018-19	District 2017-18	District 2018-19	State 2017-18	State 2018-19
English Language Arts/Literacy (grades 3-8 and 11)	32	31	35	34	50	50
Mathematics (grades 3-8 and 11)	16	17	24	24	38	39

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

**CAASPP Test Results in ELA by Student Group

Note: ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

However, these data are not available for inclusion in the 2018-19 SARC posting due February 1, 2020. These data will be included in the 2019-20 SARC posting due February 1, 2021.

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8):

- Pupil outcomes in the subject areas of physical education.

California Physical Fitness Test Results (School Year 2018-19)

Grade Level	Percentage of Students Meeting Four of Six Fitness Standards	Percentage of Students Meeting Five of Six Fitness Standards	Percentage of Students Meeting Six of Six Fitness Standards

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site.

Opportunities for Parental Involvement (School Year 2019-20)

Parents play an important role in our school community and are formally involved through the School Site Council, the English Language Advisory Committee, Local Control and Accountability Plan, Parent Teacher Association and participation in Town Hall Meetings. We offer evening educational events such as Literacy Night, Math Nights, Movie Nights, Choir performances, Back to School Night and Open House. Our community can also attend fun evening events such as, "Design Your Dreams" night, "Food Fest," Science Fairs and sporting events. The newest event we have added through parent input is a family Bbq prior to Back to School Night and Open House.

Parents are also encouraged to volunteer at our school. Parents can assist in the classrooms, or accompany students on field trips. At Meadow View School we value our parents and community and enjoy working together to benefit our students.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

Suspensions and Expulsions

Expulsions	0.0	0.0	0.0	0.0	0.0	0.0	0.1	0.1	0.1

School Safety Plan (School Year 2019-20)

Our school's Safety Plan assures the safety of students and staff in case of an emergency. It includes the ability to communicate with the district office and outside agencies for ongoing support services through a strong network of city, county, state and federal communication services. School-wide safety drills are conducted monthly. The School Plan is updated annually and was last updated in the Fall of 2019 and approved by the School Board. School Safety is discussed at the School Site Council meetings, PTA meetings, and during Certificated and Classified staff meetings. At Meadow View School we believe that student safety is our highest priority.

The California Department of Education issued guidance to LEAs on August 1, 2018, regarding how to calculate school-level per-pupil expenditures that will be reported on 2018-19 report cards.

Types of Services Funded (Fiscal Year 2018-19)

Meadow View School provides students with the following services to support and enhance classroom instruction; Resource Specialist Teacher; Special Day Class Teacher; Academic Support Coach; Speech, Language and Hearing Specialist; Psychologist; Counselor; Nurse, Special Education Aides; PE teachers for K-6. Literacy Paraprofessionals in each class support instruction in English/Language Arts.

Meadow View has an extended-day Kindergarten program designed to meet the personal social growth and academic needs of our newest students. While the AmeriCorps/Cool School Program provides after-school academic remediation with a strong homework component, Literacy Tutors is a student push-in program providing language arts and reading support. Both programs utilize university students trained to provide these services in conjunction with local and federal grants.

Professional Development (Most Recent Three Years)

Measure	2017-18	2018-19	2019-20
Number of school days dedicated to Staff Development and Continuous Improvement			

Ongoing professional development is an important part of improving our school program. Our school district invests heavily in professional development and as a result our students receive excellent instruction. The school district and Meadow View School provide professional development targeted to raise student performance on the CAASPP. The major improvement efforts this year have focused on English language development, and ELPAC training. Site leadership team including principal and teachers have been participating in the California Principal Support Network which focuses on developing and sustaining a strong professional learning community with a collaborative culture. 100% of the teachers at our school have engaged in advanced training designed to promote specific skills or information related to these school priorities and objectives. Our district also provides individualized coaching through the use of a teacher on special assignment and release time to observe in other classrooms for teachers to receive additional professional development and support in individual areas of need. Teachers meet at least weekly in PLCs and collaboration time to analyze student data, plan instruction and evaluate student learning. Technology is used extensively to disaggregate and analyze student data to guide instruction.
