## 2021 School Accountability Report Card

### General Information about the School Accountability Report Card (SARC)

#### SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at [www.cde.ca.gov/ta/ac/sa/](http://www.cde.ca.gov/ta/ac/sa/)

For more information about the LCFF or the LCAP, see the CDE LCFF web page at [www.cde.ca.gov/fg/aa/lc/](http://www.cde.ca.gov/fg/aa/lc/)

For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

#### DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at [dq.cde.ca.gov/dataquest/](http://dq.cde.ca.gov/dataquest/) that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

#### California School Dashboard

The California School Dashboard (Dashboard) [www.caschooldashboard.org/](http://www.caschooldashboard.org/) reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

#### Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

## 2021-22 School Overview

Taylor Mountain Elementary School, established in 2007, is the newest transitional Kindergarten through Sixth grade elementary school in the Bellevue Union School District. Taylor Mountain Elementary School sits next to an open field, a creek and Taylor Mountain. It is a beautiful school setting in beautiful Sonoma County. The mission statement or 'why' for Taylor Mountain Elementary School and our school community is to give students what they need. The entire staff works diligently to provide support for students both academically and socio-emotionally. Taylor Mountain's goal has been to continue the high academic standards set by the district and establish a sense of community. Taylor Mountain is committed to supporting the students it serves academically, emotionally, and physically in a positive and safe school environment. There is firm belief that all students can learn through identifying individual strengths. We are responsible for providing opportunities for our students to be successful and thus gain in confidence and self-esteem. Collaboration within the community is an essential part of our school. The students at Taylor Mountain are supported academically and behaviorally as well through our after school program, CalSERVES, serving TK Kindergarten-6th grade students. In addition, we are fortunate to offer after school clubs and activities for our students some of which include: Volleyball, basketball, weekly piano lessons with Move Over Mozart, and special offerings in collaboration with Sonoma Academy.

Expectations are high for students, staff, and the Taylor Mountain community. The staff collaborates on a weekly basis to plan lessons, analyze student assessments and regroup for instruction. The staff is professional, nurturing, and committed to providing to our students the best education possible. A clearly articulated standards-based curriculum is delivered to all students, thus enabling them to reach their potential. Well-defined goals foster creativity and initiate high academic achievement for all. The extensive use of technology is employed to assist with the dis-aggregation and analysis of student test data to guide instruction. In addition, all instructional staff participate in staff development activities focused on instructional strategies and the analysis of student test data. Taylor Mountain continues to make strides in terms of providing technological access for our students. Students in 1st-6th grade have 1-1 Chromebook access with grades TK-K students having 1:1 iPad access. All students have access to personal headphones and a mouse.

## A. Conditions of Learning

### State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Note: For more information refer to the Updated Teacher Equity Definitions web page at <https://www.cde.ca.gov/pd/ee/teacherequitydefinitions.asp>

### 2020-21 Teacher Preparation and Placement

<b>Total Teaching Positions</b>	19.1	100.0	75.1	100.0	274759.1	100.0

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned to based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

## School Facility Conditions and Planned Improvements

Cleanliness and maintenance of facilities are extremely high priorities at our school. In the summer of 2018, the HVAC system was completely replaced allowing for heat and air conditioning in all rooms on campus. There are a few buildings (4) that require shingles where the roof ridgeline exists. These are being replaced.

We have worked diligently to discover the various needs of our campus and have identified several projects that are planned to be addressed during the period of 2019-2024. Projects identified can be found at <https://www.busd.org/Page/54> under the heading BUSD 2019 - 2024 Facility Plan.

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

#### Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

#### SARC Reporting in the 2020-2021 School Year Only

Where the most viable option, LEAs were required to administer the statewide summative assessment in ELA and mathematics. Where a statewide summative assessment was not the most viable option for the LEA (or for one or more grade-level[s] within the LEA) due to the pandemic, LEAs were allowed to report results from a different assessment that met the criteria established by the State Board of Education (SBE) on March 16, 2021. The assessments were required to be:

- Aligned with CA CCSS for ELA and mathematics;
- Available to students in grades 3 through 8, and grade 11; and
- Uniformly administered across a grade, grade span, school, or district to all eligible students.

#### Options

Note that the CAAs could only be administered in-person following health and safety requirements. If it was not viable for the LEA to administer the CAAs in person with health and safety guidelines in place, the LEA was directed to not administer the tests. There were no other assessment options available for the CAAs. Schools administered the Smarter Balanced Summative Assessments for ELA and mathematics, other assessments that meet the SBE criteria, or a combination of both, and they could only choose one of the following:

- Smarter Balanced ELA and mathematics summative assessments;
- Other assessments meeting the SBE criteria; or
- Combination of Smarter Balanced ELA and mathematics summative assessments and other assessments.

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

## Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

The 2019-2020 data cells with N/A values indicate that the 2019-2020 data are not available due to the COVID-19 pandemic and resulting summative test suspension. The Executive Order N-30-20 was issued which waived the assessment, accountability, and reporting requirements for the 2019-2020 school year.

The 2020-2021 data cells have N/A values because these data are not comparable to other year data due to the COVID-19 pandemic during the 2020-2021 school year. Where the CAASPP assessments in ELA and/or mathematics is not the most viable option, the LEAs were allowed to administer local assessments. Therefore, the 2020-2021 data between school years for the school, district, state are not an accurate comparison. As such, it is inappropriate to compare results of the 2020-2021 school year to other school years.

Subject	School 2019-20	School 2020-21	District 2019-20	District 2020-21	State 2019-20	State 2020-21
<b>English Language Arts/Literacy</b> (grades 3-8 and 11)	N/A	N/A	N/A	N/A	N/A	N/A
<b>Mathematics</b> (grades 3-8 and 11)	N/A	N/A	N/A	N/A	N/A	N/A

## 2020-21 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment. The CDE will populate this table for schools in cases where the school administered the CAASPP assessment. In cases where the school administered a local assessment instead of CAASPP, the CDE will populate this table with "NT" values, meaning this school did not test students using the CAASPP. See the local assessment(s) table for more information.

## B. Pupil Outcomes

### State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8): Pupil outcomes in the subject area of physical education.

#### 2020-21 California Physical Fitness Test Results

Due to the COVID-19 crisis, the Physical Fitness Test was suspended during the 2020-2021 school year and therefore no data are reported and each cell in this table is populated with "N/A."

## C. Engagement

### State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

#### 2021-22 Opportunities for Parental Involvement

Parents play an important role in our school community and are formally involved in Taylor Mountain Elementary School through our PTA, ELAC, School Site Council and volunteer opportunities. We strive to increase parent participation as well as offering family evening and school day events. We offer socially-distanced educational events such as Outdoor Fall Festival, Drive-Thru Holiday Lights, and virtual Back to School Night, Title I meeting and Open House. Fully vaccinated parents are encouraged to serve as volunteers in classrooms for special school programs and events as well as providing general assistance when needed. Our after school program is offered by CalSERVES; supports our virtual family programming. All written and verbal communication from the school is translated into both English and Spanish including upcoming events listed on our marquee as well as information contained on our school website. We also employ use of Blackboard, which is a program that allows us to contact our parents via telephone and email and leave pertinent school messages and information.

#### State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety

## Suspensions and Expulsions

This table displays suspensions and expulsions data collected between July through June, each full school year respectively. Data collected during the 2020-21 school year may not be comparable to earlier years of this collection due to differences in learning mode instruction in response to the COVID-19 pandemic.

Subject	School 2018-19	School 2020-21	District 2018-19	District 2020-21	State 2018-19	State 2020-21
<b>Suspensions</b>	3.27	0.00	2.26	0.00	3.47	0.20
<b>Expulsions</b>	0.00	0.00	0.00	0.00	0.08	0.00

This table displays suspensions and expulsions data collected between July through February, partial school year due to the COVID-19 pandemic. The 2019-2020 suspensions and expulsions rate data are not comparable to other year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to other school years.

## 2021-22 School Safety Plan

Our school's Safety Plan assures the safety of students and staff in case of an emergency. It includes the ability to communicate with the district office and outside agencies for ongoing support services through a strong network of city, county, state and federal communication services. School-wide safety drills are conducted monthly. The School Plan is updated annually and approved by the School Site Council (October 18, 2021). School Safety is discussed at the School Site Council meetings (Sept. 20 and Oct. 18, 2021, Parent coffee meetings (Aug, 12 Sep[t. 17, Oct. 8, Nov. 5, Dec 3, Jan 14, Feb. 4, March 11, April 22 and May 20, 2022) , and during Certificated and Classified staff meetings (weekly) . At Taylor Mountain School we believe that student safety is our highest priority.

Due to COVID-19 we have provided additional safety protocols as required by our county and state in order to ensure the safety of our staff and students.

## Professional Development

Ongoing professional development is an important part of improving our school program. Our school district invests heavily in professional development and as a result our students receive excellent instruction. The school district and Taylor Mountain Elementary provide professional development targeted to raise student performance on the STAR Reading Assessment and the ELPAC. The major improvement efforts this year have focused on English language development, and ELPAC training. Site leadership team including principal and teachers have been participating in the California Principal Support Network which focuses on developing and sustaining a strong professional learning community with a collaborative culture. Our district also provides individualized coaching through the use of a consulting teacher and release time to observe in other classrooms for teachers to receive additional professional development and support in individual areas of need. Teachers meet at least weekly in PLCs and collaboration time to analyze student data, plan instruction and evaluate student learning. Technology is used extensively to disaggregate and analyze student data to guide instruction. Additionally, our school site has a full time TOSA (teacher on special assignment) to support teacher professional development in the identified areas of literacy skills, English language development, small group intervention, as well as student achievement.

## 2020-21 Local Accountability Report Card (LARC) Addendum

### Local Accountability Report Card (LARC) Addendum

#### 2020-21 Local Accountability Report Card (LARC) Addendum Overview

On July 14, 2021, the California State Board of Education (SBE) determined that the California Department of Education (CDE) will use the SARC as the mechanism to conduct a one-time data collection of the LEA-level aggregate test results of all school's local assessments administered during the 2020–2021 school year in order to meet the federal Every Student Succeeds Act (ESSA) reporting requirement for the Local Educational Agency Accountability Report Cards (LARCs).

Each local educational agency (LEA) is responsible for preparing and posting their annual LARC in accordance with the federal ESSA. As a courtesy, the CDE prepares and posts the LARCs on behalf of all LEAs.

Only for the 2020–2021 school year and the 2020–2021 LARCs, LEAs are required to report their aggregate local assessments test results at the LEA-level to the CDE by populating the tables below via the SARC. These data will be used to meet the LEAs' federal requirement for their LARCs. Note that it is the responsibility of the school and LEA to ensure that all student privacy and suppression rules are in place when reporting data in Tables 3 and 4 in the Addendum, as applicable.

The tables below are not part of the SBE approved 2020–2021 SARC template but rather are the mechanism by which these required data will be collected from LEAs.

For purposes of the LARC and the following tables, an LEA is defined as a school district, a county office of education, or a direct funded charter school.
