

DISTRICT NEWS BRIEF & UPDATES

March 29, 2020

From the Office of Superintendent David Alexander, Ed.D.

3150 Education Drive Santa Rosa, CA 95407 (707) 542-5197
www.busd.org

Mission: Inspire learning

Vision: Engaging and  (valuing/caring) for our families, students and staff to empower our community.

Good Afternoon BUSD School Community,

Device Distance Learning

We are indeed here to support your children and families through the COVID-19 shelter in place orders. We are looking forward to the deployment of our Chromebooks and the start of Device Distance Learning for your children grades 1-6. In order to distribute so many Chromebooks, we ask for your patience and support in social distancing and all sanitary best practices. If the Chromebook deployment lines are long, space yourself out, both in distance and time. I would recommend coming back later if the lines are long. With this incredible opportunity comes additional responsibilities from your child and your families. Please read over the device agreement carefully.

We appreciate all your attention on the recent work packets we sent home. In order to reduce the possible spread of COVID-19, our school district **will not** be collecting these work packets or distributing textbooks/classroom-based materials. Please hold on to the completed work packets for now. There is no good reason to be passing back and forth items during the shelter in place orders. Let's do our part to slow down the spread of the coronavirus!

Each school site principal is reaching out to their school families with details to deploy the chromebooks this coming week. It is our goal to provide our Distance Learning with little to no back and forth paperwork. We will sanitize the Chromebooks as we distribute the Chromebooks to you.

All school playgrounds, public parks, and open space are closed

The Governor's current executive order closed all public parks, school playgrounds and open spaces are closed to the public until further notice.
