December 2018

### Congratulations to our Girls on the Run!

**Thank you to Coach Bridges, Fradelizio, Pingrey, Ramirez, and Ward** for making this club and event happen. The 3rd-5th grade girls have been working hard to learn tools to think positively and productively as well as build physical endurance. They were provided with new running shoes and an incredible support team by our coaches and their parents! Proud smiles were on everyone's faces as they crossed the finish line completing the 5K!!

### Winter Wonderland December 18 5:00-7:30pm

Come celebrate the season with good food and family fun! Support our school by purchasing dinner and participating in creative and delicious activities like making a gingerbread house! Please help by donating for this event!

**Reminder:**  
Please let our office know ahead of time if you have planned absences for your child.

**Be Safe  
Be Respectful  
Be Responsible**

### Engineering Workshop!

Thank you to parent, Ruben Velazques, for providing an after school engineering workshop for 5th and 6th grade students. They loved it! They learned about electricity, motors, and how air conditioners and heaters work!

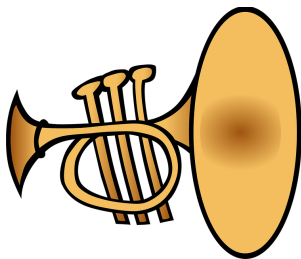

### Save the Date
